Dear Sir:

Your letter of July 26th at hand in re accident Lewis E. Behrent, 46 Hilltop Drive, Nichols, Conn. I had supposed this matter had been attended to as I had notified the company immediately and the agent came to see me and I filled out the required form. He stated however he was about to leave on a short vacation. On receipt of the bill from Mr. Behrent I forwarded that immediately and received a reply from the company. Enclosed is a copy of my letter of even date to the Preferred Accident Company.

Very truly yours,
